

TRADITIONAL OFFICER VACANCY ANNOUNCEMENT

105th Airlift Wing
Stewart ANGB
One Maguire Way
Newburgh NY 12550-5075

ANNOUNCEMENT#: 14-01
DATE: 18 Oct 13
CLOSING DATE: 18 Nov 13

UNIT: 105 Medical Group

AFSC: 40C0D

POSITION TITLE:
CBRN TF Medical Commander
Major - Lt Col

AREA OF CONSIDERATION:
All candidates may apply who meet the basic qualification for this position and who are eligible for membership in the NYANG.

SPECIALTY SUMMARY (As outlined in AFMAN 36-2105)

Commands Air Force medical centers, units, or activities whose primary mission is to provide medical care and other health services. Serves as chief staff advisor to line commanders. Related DoD Occupational Group: 260301.

QUALIFICATIONS AND SELECTION FACTORS

- Selection for this position will be made without regard to race, religion, color, creed, gender or national origin.
- Applications are subject for review by the FSS.
- The requirements and qualifications prescribed in this announcement are minimum for nomination for appointment consideration. Appointment is not assured merely by meeting these requirements. Persons considered must further qualify with requirements outlined in ANGI 36-2005.

KNOWLEDGE: Knowledge is mandatory of: management concepts and objectives and their relationship to mission accomplishment; relationship of military and health care doctrine, contingency, and medical readiness planning; strategic planning; Air Force flying mission and associated health care requirements; information management; Air Force policy directives and instructions; military justice; conflict resolution; managing quality; communication and interpersonal skills; principles of medical administration; financial management; personnel; and materiel and facilities management.

EXPERIENCE: For award of AFSC 40C0X, prior experience is mandatory in a medical command position, or experience in one or more senior health care management positions within preceding 5 years. Senior health care management positions include Chief, Hospital or Clinic Services; Chief Nurse; Base Dental Surgeon; Chief, Aerospace Medicine; Administrator; Laboratory, or other biomedical sciences function; or other clinical or health care service or department-level management positions. In addition, experience in the CBRN Enterprise is desired.

EDUCATION: For entry into this specialty, it is mandatory to possess a degree leading to award of a medical AFSC (4XXX).

(SEE REVERSE)

DUTIES AND RESPONSIBILITIES: Commands CBRN TF medical unit. Commands CBRN TF medical resources engaged in health care during full scale exercises, operational tasks and unit activations. Reports directly to 105th MDG Commander. Responsible for training, organizing, and equipping unit members. Determines health care requirements by analyzing mission and interpreting directives, orders, and instructions. Formulates plans, establishes policies and procedures for delivering health care services to CBRN TF Commander during joint operations. Implements programs such as total force training, respiratory protection and disaster preparedness. Directs studies and surveys to determine perceptions of personnel. Implements measures to resolve problems and eliminate conditions contributing to low morale. Directs health care activities. Supervises and directs assigned resources to provide quality health care services. Ensures medical support to meet requirements placed on CBRN TF medical units when personnel are under operational control of the CBRN TF Commander. Assists 105 MDG with medical support to wing and installation. Trains health care personnel. Advises MDG Commander on scope of available CBRN TF Medical assets, health care and services required by host-tenant agreements, health of personnel, and health protection requirements and measures. Coordinates health care service activities. Conducts staff meetings, convenes, and appoints boards, councils, and committees to assist in managing assigned activities. Coordinates training, support, and use of medical units and activities. Coordinates with local health care agencies. Participates in civilian community health planning process.

OTHER QUALIFICATIONS: Applicant must pass an APPROVED PHYSICAL.

OSIB: Qualified candidates will be contacted and given their board date and time. Col Matthew Godfrey will be the selecting official.

APPLICATION PROCEDURES: Applicants will prepare and forward an AF Form 24, resume, cover letter, current physical fitness scores, vMPF Records Review Rip and last 5 OPR's.

Application must be received no later than close of business on closing date of vacancy announcement.

Incomplete applications will not be considered.
